

## Peiec Healing Course – Module 1

- The courses have been written as given through the Guided messages from Source
- We explore and discuss “The disconnect to self and the disconnect of self.’
- We will explore the concept of the Layers ( Core , Energetic, Intellect, Emotional and Physical)
- Understanding the layers in healing and the life moments that affect our life and health
- You will be shown how to recognise and sit in Core and recognise your own layers
- We explore the Place of the Healer, the acceptance of healing for self and the purity of healing

This is the foundational introduction module that is compulsory as it forms the foundation and understanding of peiec energy healing and the peiec approach.
